

Following the huge success of the 2015 event, we are pleased to announce

2nd Musicians' Day School & Dance

with the renowned maestro of Scottish music

GEORGE MEIKLE

Another unmissable opportunity for practical tuition in how to play Scottish music and accompany dancers.

The day will focus on the choice of traditional tunes, harmony and ornaments, and how to accompany dancers. Whilst it is aimed at accordion, fiddle, bass and keyboard players, all appropriate instruments are welcome.

BUT THERE'S MORE!

Put what you've learned immediately into practice: ALL course members are invited to make up the band for a dance in the evening with George leading and using the tunes you've learned during the day.

Theory and Practice!

with one of this country's leading exponents.

Saturday 11th November 2017 – Bristol; Course Fee: £25
