

Graham and I have just returned from a great week of Dancing Arranged by Amanda Peart.

Dancing in the evenings to **Marion Anderson's Band.**

Day time is free to do as you wish.

Please would any one be interested in the following:-

Hotel: Langstone Cliff Hotel, Dawlish Warren, Devon <https://www.langstone-hotel.co.uk/>
highly recommended by the Bristol dancers

Dates: Sunday-Friday (5 nights, not 6 as previously) September either 15th-20th or 29th-4th Oct

Dancing: The Band would play for 4 nights so either we would still have a CD night then no 'rest day', or Marian is willing to play on the first night and we would have one evening with no dancing.

Cost: (and this is where I need to know if I will get enough people!) Based on this year's uptake, the cost for a double/twin room would be £850, i.e. £425 per person for the 5 nights DB&B plus dancing. For single occupancy the price would be £560.

I have tried to negotiate these prices down but can't get any better. If we had more people next year then I will be able to offer a rebate, but I really can't afford to run these holidays with fewer than 45 people.

Please let me know if you feel you would be interested in this. It is not a firm commitment but if, for instance, you know you are not available for either of those dates then please say no even if you think it all sounds fine to you.

It would be really helpful if you could respond in the next few days so that I can make some decisions.

Regards,
Amanda
